

**Vegas-style Casino Games How To:** People who know the rules of the games have a better chance of winning than those who don't. And, who doesn't like to win? Learning to play the games in Las Vegas is not only easy...it can also be a lot of fun. Sam's Town will offer instruction to our ACA Attendees in some of the more popular Casino Games, such as Craps, Texas Hold 'em, and Blackjack. Come prepared to have fun...this event is **free** to our ACA Rally Attendees.

Look to your registration packet (which we will be sending to you by email) for more information on these Special Happenings.

If you are interested in taking in a show (or two), there will be much to choose from. **Garth Brooks** will be at Wynn Las Vegas, and **Barry Manilow** will be at Paris Las Vegas. Broadway Productions include **Phantom - The Las Vegas Spectacular** at The Venetian, and **The Lion King** at Mandalay Bay.

For those of you who would like to see the sights in an around the Las Vegas area, you will be able to work directly with our designated **Tour Company** to choose among the many offerings. Perhaps a helicopter tour might be your cup of tea!

If your preference is to stay closer to home, Sam's Town has several venues for your enjoyment, including a **Century 18 Sam's Town Movie Theater complex**, a 56-lane **AMF Bowling Center**, indoor **Swimming**, and (of course) adult games in their multi-floor **Casino**.

For this National Rally, you will have the choice of full hook-ups or dry camping. Full hook-up spaces will be located at either the **Sam's Town Boulder RV Park**, the **Sam's Town Nellis RV Park**. For late registrants, we will also have off-site hook-ups at **Arizona Charlie's RV Park** (a short drive from Sam's Town). Dry camping will be located on a paved area next to the Sam's Nellis RV Park, where you will also have free access to swimming, showers, and laundry facilities; generators can be used here.

With so many things to see and do in and around Las Vegas, and in and around Sam's Town, it's hard to imagine that five days will be enough time! If you decide you would like to arrive early or stay longer, Sam's Town has agreed to hold our per-night Rally rate of \$30.25.

**Come to play...come to relax...come to see old and new friends...just come! We are looking forward to having something for everyone to enjoy!**
