Bylaws information relating to Emeritus Status Membership:

ARTICLE 3 - MEMBERSHIP

3.1 There shall be four (4) classes of membership: Regular, Lifetime, *Emeritus* and Honorary.

This additional information has been added to authorize and explain the addition of the Emeritus membership status:

3.5 Emeritus members shall be those persons who have been prior owners and past members of ACA, previously owning an eligible motor coach. Upon application, this membership status must be approved by the ACA Board of Directors. The amount of annual dues and rally participation fees will be set by the Board of Directors. Emeritus members shall not be entitled to vote or hold office in the Association, but shall be entitled to participate in all other activities, rallies and meetings of the ACA.

PLEASE NOTE: Article 5.4 of our ACA Bylaws permit only "Eligible Motor Coaches"- those branded by Fleetwood as "American Coaches" to attend National Rallies. Emeritus members with a non-American Coach motor home, who want to attend a National Rally will need to make their own arrangements for parking it outside the designated area of the National rally site. The Emeritus Member fee for rally activity attendance, will be established by the National Rally Committee. There are no similar parking restrictions at Chapter Rallies.
